Re: Amended Notice of Intention to Commence Small Mining Operations, Daddy Dearest Project, S/015/046, Emery County, Utah

Dear Mr. Simmons:

Thank you for forwarding the amended Notice of Intention to Commence Small Mining Operations for T. J. Clark's Daddy Dearest Project, located in the NW/4 of Section 26, T22S, R6E, Emery County, Utah. Your agency's designated number for this project is UTU-69856.

This letter is to inform you that the Division has evaluated the amended Notice of Intent for completeness. We did not receive a copy of Attachment B as referenced in the amended notice. We would like the operator to provide more detailed information describing the reclamation of the old service road and turn around (that is, how will these areas be reclaimed?). We would also like more details describing the closure of the mine portal.

The Division will suspend further review until we receive the requested information. Please reference our designated file number S/015/046 when forwarding additional information on this project to us.

Sincerely,

Anthony A. Gallegos  
Reclamation Engineer
